COLLECTION

Introduction
Craft Collection

The carving Effect is one of the greatest options if you're wondering how to use tiles to give your space a trendy, opulent look and we have perfect design options for that. Your flooring can have a carving impression, which also adds a shining effect and a sense of depth.

These tiles, which come in a variety of hues and designs, will give your areas a refined feel. In addition to design and color, the carving effect is more appealing because of its stain and scratch resistance and ease of maintenance.

CRAFT
COLLECTION

Statement making and artistic look **of carving effect**

Product Features:-

- Anti Slip Surface
- Easy to Install
- Scratch Resistant
- High Breakage Load
- Eco Friendly
- Easy to Clean
- Frost Resistant
- Resistant to Chemicals
